

2nd Friday of the Month Zoom session with Twisted Trees at 11am on 8th December.

We recommend that you have a flat surface to work on, if you are not at a table then a tray on your knee should work fine.

Equipment List:

1. Scissors
2. Pencil/pen
3. Glue stick (wet glue might not be as effective or quick drying)
4. 30cm Ruler
5. 6 sheets of paper the same size,

For example

- 6 sheets of printer paper which we will square off

or

- Wrapping paper cut to 6 equal squares no smaller than 12cm x 12cm

Wrapping paper with a plain reverse or printed brown paper as shown, or craft paper with a different colour on each side will work well as the make will reveal both sides of the paper.
